Gainesville -- The 2018 Fall Parade of Homes™, sponsored by the Builders Association of North Central Florida (BANCF), will showcase 17 beautiful new homes in 10 neighborhoods throughout Alachua County on September 29th - 30th and October 6th - 7th. As always, the Parade will highlight a diverse group of housing styles, locations and price ranges.

The Parade offers an opportunity for the community to preview the newest in housing trends and decorative styles. Parade attendees will discover the latest home products, services and energy efficient designs.

Interest rates are low, home prices are competitive and home selections are vast and desirable. As a long-term investment, homeownership is still one of the best investments for individual households. Residents can see what opportunities are available in our community during the Fall Parade of Homes™.

Admission is free to the 2018 Fall Parade. Directions, floor plans and descriptions of all homes can be found in the Parade Magazine available in each of the homes or online at BANCF.com. Hours are 12 noon to 5pm each day. Call the BANCF office at (352) 372-5649 for more information.
