

Latest from the City of High Springs Building Department

April 14, 2020 - Starting today the City of High Springs will begin to issue new permits for "over the counter" work.... new roofs, HVAC change outs. Anything that can be done without plan review. The applicants can log on the city web site fill out the application and pay for the permit on line. The hours are still limited however, the permits will be issued by email as soon as possible.

June 16, 2020 - The City of High Springs is open to the public but has limited their hours 8am -12 noon, and from 1pm-4pm by appointment only. Visitors will have to wear a mask, get their temperature and answer some basic health questions upon entering.
